

Application for registration as a greenhouse and energy auditor

FORM

CER-AUD-001

V8.0 18/10/2019

Under section 75A of the *National Greenhouse and Energy Reporting Act 2007*

Purpose of this form

This form is for use by auditors who are applying for registration as a greenhouse and energy auditor under section 75A of the *National Greenhouse and Energy Reporting Act 2007* (NGER Act).

In accordance with division 6.4 of the National Greenhouse and Energy Reporting Regulations 2008 (NGER Regulations), your answers to the following questions will enable the Clean Energy Regulator delegate to make an informed decision on whether or not you satisfy the requirements for registration as a greenhouse and energy auditor. The following legislative provisions are relevant to the assessment of the application:

- Regulation 6.11—Relevant academic qualifications
- Regulation 6.12—Applicant must be fit and proper person
- Regulation 6.14(1)(a)—NGER legislation knowledge
- Regulation 6.14(1)(b)—Carbon Farming Initiative (CFI) legislation knowledge
- Regulation 6.14(1)(c)—Renewable Energy legislation Knowledge
- Regulation 6.15—Audit knowledge
- Regulation 6.16—Audit team leadership and assurance knowledge—Category 2 applicants
- Regulation 6.20—Auditing experience required for applicants for Category 2 registration, and
- Regulation 6.23—Form and content of applications for registration.

The National Greenhouse and Energy Reporting (Auditor Registration) Instrument 2019 (Auditor Registration Instrument) further sets out how an applicant may meet the requirements for registration as a greenhouse and energy auditor.

Eligibility

This form is to be completed by:

- individuals who wish to apply for greenhouse and energy auditor registration, or
- registered greenhouse and energy auditors who wish to upgrade their registration.

Eligibility requirements are set out in the NGER Regulations and the Auditor Registration Instrument.

Instructions for completing this form

Please read each part of the application carefully, fully answer all the questions, sign where indicated, and attach the required documentation.

Part M: Declaration and signature

All applicants for greenhouse and energy auditor registration must read this section.

Under the NGER legislation, the Clean Energy Regulator can only make a decision on an application for registration as a greenhouse and energy auditor when satisfied that the applicant has complied with all requirements.

The applicant must:

- indicate that they will comply with the Code of Conduct
- have the relevant tertiary qualifications
- be a fit and proper person
- have knowledge of the NGER, and if relevant CFI legislation and/or Renewable Energy legislation
- where relevant, have knowledge of at least one methodology used under the CFI legislation
- have knowledge of auditing, team leadership and assurance, and
- have experience in auditing, and audit team leadership.

Applicants must supply the Clean Energy Regulator with statements and evidence to show that they meet each of these requirements.

The Greenhouse and energy auditor registration guideline has been developed to help applicants complete this application form correctly. It should be noted that the Greenhouse and energy auditor registration guideline does not constitute legal advice; nor does it contain complete information about the requirements of registration. It is a guide only. Applicants are encouraged to seek independent advice to find out how the relevant legislation applies to their circumstances.

Additional information

Publishing of information

The National Greenhouse and Energy Reporting Regulations 2008 require that certain information from the Register of Greenhouse and Energy Auditors be published.

If your application for registration is successful, the following information will be published on the Clean Energy Regulator website so that potential users are able to access registered greenhouse and energy auditors:

- name
- primary telephone contact number, email address and postal address
- auditor category
- employer's name, or if self-employed through a company, the name of the company, and
- Clean Energy Regulator schemes in which you have audited.

Protection of information

The Clean Energy Regulator is bound by the secrecy provisions in Part 3 of the *Clean Energy Regulator Act 2011* and by the *Privacy Act 1988*.

Privacy statement

'Personal information', as defined in the *Privacy Act 1988*, means any information from which a person's identity is apparent or can be reasonably ascertained.

Personal information collected in relation to this application will be used for the purpose of assessing the application, auditing compliance, enforcement of relevant laws and regulations and for related purposes. The collection of personal information is authorised by the *Clean Energy Act 2011* and/or other relevant Act(s).

Disclosure of information

The Clean Energy Regulator and authorised staff are only able to disclose information relating to the affairs of a person (including personal information) collected in relation to this application in accordance with the *Clean Energy Regulator Act 2011* or as otherwise required by law.

Part 3 of the *Clean Energy Regulator Act 2011* prevents disclosure of relevant information except in circumstances set out in that Part. Those circumstances include:

- disclosure for the purposes of a climate change law
- disclosure to the Minister
- disclosure of summaries or statistics if those summaries or statistics are not likely to enable the identification of a person
- disclosure to certain bodies where the Chair of the Clean Energy Regulator is satisfied that disclosure will assist those bodies in the performance of their functions or powers, including the Australian Securities and Investment Commission, and the Australian Competition and Consumer Commission, and
- disclosure for the purposes of enforcement of the criminal law, enforcement of a law imposing a pecuniary penalty or for protection of the public revenue, if the Chair of the Clean Energy Regulator is satisfied that disclosure is reasonably necessary for such purpose.
